Building healthy communities through strong science, people, and systems.

CAREER OPPORTUNITIES IN PUBLIC HEALTH

- POSITION/TITLE:** Public Health Advisor
(International Public Health Management Development Specialist)
- LOCATION:** Office of the Director,
Public Health Practice Program Office (PHPPO),
Centers for Disease Control and Prevention (CDC), Atlanta, GA
- BACKGROUND:** The mission of the Sustainable Management Development Program (SMDP) is to collaborate with foreign ministries of health, non-governmental organizations, training and development institutions, and international donor agencies to strengthen public health management in developing countries.
- KEY DUTIES:** As a senior public health advisor for SMDP's international activities, the incumbent will:
- Review requests for technical assistance from developing countries.
 - Conduct in-country management training needs assessments.
 - Assist national counterparts to develop locally appropriate training plans, budgets, and curricula.
 - Assist national counterparts to conduct in-country workshops, supervise applied learning projects, and evaluate training activities.
 - Develop management training tools, including case studies and group exercises, appropriate for international audiences.
 - Serve as faculty member in the annual Management for International Public Health (MIPH) course.
 - Brief senior foreign government and State Department officials on SMDP goals and activities.
- KEY CHARACTERISTICS:** Education/Training/ Experience: Significant international public health experience and demonstrated ability to provide public health training to culturally diverse audiences.
- Qualities: Fluency in a foreign language such as French or Spanish highly desirable.
- SALARY RANGE:** \$43,720 - 81,009 per annum *(Depending on qualifications and experience)*
